Abstract

NOTE: It is important (in my opinion) to work cooperatively. This means we work as a team and each of us needs to work from the same playbook. What follows is our playbook as I now understand it. The playbook needs to constant revision so that it contains all the necessary information that would be sufficient to continue operations at Lake Eagles #3761.

Thanks, the editor.

Food: Menu and Regular Specials

Our menu will inevitably change, but when it does it requires planning and careful thought. A small change to the menu may require changes to our weekly routine, our suppliers, and a learning curve in which waste and costs increase.

Make changes thoughtfully ... just saying.
